December Monthly Meeting & Christmas Party

Speaker: Christeen Skinner

Planetary configurations and their relevance to the financial world

Christeen has been monitoring solar activity and planetary cycles for 30 years, and in that time has held key positions in the astrological community. She is the author of "The Financial Universe" (2004), and has worked with many entrepreneurs, traders and managers. Her interest is in the correlation between planet and business cycles.

Several cycles reached critical points in May 2000. These cycles continue to resonate. Christeen's presentation will look closely at these unfolding cycles and suggest periods of extraordinary activity in 2009. Cycles to be considered include the Saturn-Pluto cycle and recession, the Jupiter-Neptune cycle: inflation and oil prices and Pluto's recent Capricorn ingress, and what this might mean for the banking industry and mortgage markets in the UK and US. Although these outer planet movements are slow, their effect is triggered by the patterns created with the so-called "inner" planets, Mercury and Venus. Christeen will also cover the effect of these planet cycles on gold and sterling. The conclusion will focus on the opening months of 2010, and the real credit bubble burst, indicated by the extraordinary planet formations of that period.

Chairman's Notices

Will members please note that the **British Bankers' Association**, Pinner's Hall, will continue to host our talks throughout 2009, MAINLY the second **TUESDAYS** of each month

The AGM is scheduled for 10th Feb, and the Nomination Forms for the Board membership are enclosed.

It would be most helpful if members could continue to make a special effort to be early. Although our policy remains "turn up and go" for members at normal meetings, and the Society's security arrangements have passed muster with BBA so far, we must remain vigilant and endeavour to start on time. Also, please can members ensure they bring up-to-date membership cards. For those members not familiar with that part of the City, Pinner's Hall is next door to Corney & Barrow in Old Broad St.

A map is enclosed and also available on the STA website.
