## FORTHCOMING EVENTS

### STA Annual Dinner – Wednesday 17<sup>th</sup> September

Enclosed, members will find details of this years STA Dinner. This always provides a great evening, ideal for seeing old friends or entertaining contacts. Once again it will be held in the congenial surroundings of the National Liberal Club and our speaker this year will be one of the UK's most respected financial commentators, **Barry Riley**.

Barry worked for the Financial Times for more than 30 years and as investment editor between 1987 and 2001, he is now a columnist for Financial News and Money Observer. He has won a clutch of awards for his work, including the Wincott Prize for senior financial journalist of the year in 1989 and the Decade of Excellence Award at the Business Journalist of the Year ceremony in 2000.

##### *Trading with Technicals – finding the edge*

Julian, a graduate in Business Finance, has been a proprietary trader for over 15 years. He trades the interest rate, foreign exchange and stock markets. During his career he has spent time working for HSBC, Citibank and Erste Bank.

Julian will outline some of the methods he uses to trade and how he applies technical analysis across a range of markets and timeframes. He will illustrate how he identifies the "price acceleration" trades which make the easiest positive returns. He will also discuss the more aggressive approach that comes from managing a leveraged trading portfolio and the emphasis that is placed on money management.

#### Chairman's Notices

Will members please note that, due to a change in policy by City Conference Centre's parent, CCC will no longer be able to offer the Society a venue for the monthly talks. Consequently, the Sept meeting will be held on Wed, 10<sup>th</sup> September at the **British Bankers' Association**, Pinners Hall, but, thereafter, for the balance of 2008, the talks will be on the second **TUESDAYS** of the month, 14<sup>th</sup> Oct, 11<sup>th</sup> Nov and 9<sup>th</sup> Dec. The Executive Committee would like to thank CCC and its staff for such a happy and fruitful association, going back many years.

It would be most helpful if members could make a special effort to be early, as, although our policy remains "turn up and go" for members at normal meetings, BBA's security arrangements are untested. Also, please can members ensure they bring up-to-date membership cards. For those members not familiar with that part of the City, Pinners Hall is next door to Corney & Barrow in Old Broad St. A map is available on the STA website.
